RANGE: PARCELLAIRE

BIGOTTIÈRE

2021

PDO (AOC) SAVENNIÈRES

At Terra Vita Vinum, "we cultivate the vines with respect for biodiversity and do everything possible to produce terroir wines with the utmost transparency to deliver unique emotions". Let's remember that our wines are as close as possible to what nature gives us. Each cuvée is therefore a unique work, never before made, and never again.

GEOLOGY

Plot located in the commune of Savennières at the top of the Côte des Forges, on green sandstone schist, sometimes with purple passages, often with banks of phanites with aeolian sands on schist alteration at the bottom of the plot. Exposure: East.

CULTIVATION METHOD

Our vines are cultivated in a traditional and selective manner. Soil maintenance is done mechanically without chemical weeding and our vines are protected using preparations made from natural products, in the respect of biodiversity. **It is for all these reasons that we do not buy grapes, we only vinify those that we grow.**

COMPOSITION

Fermented Chenin juice from a manual harvest (1 row tray of 8 kg only).

VINIFICATION

Natural: fermentation with yeast from our own grapes, without stirring, fining or filtration. 20 mg/L sulphites added after malo (zero sulphite added at bottling).

AGEING

Ageing for 26 months in amphora (38%), concrete egg (36%) and demi-muid (26%).

ANALYSIS AFTER THE BOTTLING STAGE (DECEMBER 2023)

Sulphites: total 34 mg/L; alcohol: 14% vol; residual sugars: 1.3 g/L; complete malo.

TASTING

The spirit of this cuvée is to use the 2 years of ageing to allow the predominance of the "varietal" taste to give way to a more complex mineral expression reflecting the characteristics of a unique terroir.

ADVICE

Serve at 10°C. to enjoy between 12° and 14°C.

Cellaring: 8 years and more.
